BUNNY HOP

Spread the happiness with the adorable Bad Bunny clothing collection from Nanny Pickle, including tees, bottoms, jump-suits, booties, beanies and bibs for babies. Created from soft bamboo and organic cotton, each item displays cheeky words of wisdom like *The wind will change*, *No use crying over spilt milk* and *Eat your crusts*, with cute images to match. Available in two colourways – salmon or avocado – the prices range from \$19.95 to \$49.95 and the sizes from 000 to 0. Take a look at nannypickle.com.au.

SNUGGLE POT

Looking for a baby carrier that combines fashion with function? You can't go past these Hotslings baby pouches, from \$68. The wide shoulder spreads across the back to distribute weight evenly, and it comes with an instructional DVD – which is great for new mothers! Suitable from newborn to 16kg, they're available in a variety of funky designs, sizes and fabrics. Visit nursingangel.com.au.

CARRY-ON CONVENIENCE

Keen to find a compact nappy wallet? Get your hands on the Melobaby, \$59.95. This all-in-one wallet contains four pockets – two for nappies, one for nappy bags and one zipped compartment for extra tid-bits. Small enough to fit into your average handbag, one section also opens up to become a useful change mat. Available in classic black with a charcoal mat or chocolate brown with a lime green mat. For more information and stockists visit melobaby.com.

HEAVENLY HEALING

Protect your bub's bottom from nappy rash with this Baby Bottom Balm from Little Joey Organics. Full of soothing ingredients such as shea butter and organic beeswax, it helps to heal minor irritations and destroy bacteria. Available for \$22.95, it also helps with dry, itchy conditions such as eczema. Other products in the range include soap, bath wash, shampoo, conditioner and moisturiser – all just for babies. Visit littlejoeyorganics.com.au for more.

SNUG AS A BUG

Concerned about your baby's blankets being kicked off during the night? Well, the Dream Bag was launched just over a year ago in the UK and is now available in Australia. Priced from \$41.99 it comes in three togs – 2.5, 1.0 and 0.5 – and features a full-length

zipper for easy access and a zipper-end cover to prevent little fingers from unfastening it. Suitable for children aged up to 36 months. Plus it even comes with its own set of instructions. For information about stockists log onto thedreambag.com.au.

GET IT WRITE

We love this stylish diary! The Master Plan is hot off the press and has a date system from October 2008 through to January 2010. Bound in Italian fabric with a detachable address book and birthday planner combination, there is enough space for each date, and it even has a section to record dinner plans. Available in red or beige for \$34.95. Visit milestonepress.com.au.
